International Journal of  
*Molecular Sciences*

The **International Journal of Molecular Sciences** (IJMS, ISSN 1422-0067, Impact Factor: 5.923) provides an advanced forum for molecular studies in biology, chemistry and biophysics. Our aim is to provide rigorous peer review and enable rapid publication of cutting-edge research to educate and inspire the scientific community worldwide. IJMS is indexed by the Science Citation Index Expanded (Web of Science), MEDLINE (PubMed) and other important databases. Manuscripts are peer-reviewed and a first decision provided to authors approximately 14.3 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the first half of 2021). More information about the journal can be accessed at <https://www.mdpi.com/journal/ijms>.
